In addition to the performance-based funding outlined in sections above, institutions will receive enrolment-related funding through a funded corridor 'midpoint' to provide funding predictability to institutions. These enrolment corridor midpoints for universities were established as part of the 2017-20 Strategic Mandate Agreements (SMA2), and account for adjustments related to graduate expansion and teacher education achieved targets.

Federated and Affiliated Institutions

SMA3s are established with the colleges and universities in Ontario receiving direct operating funding support from the Ministry of Colleges and Universities.

For the purposes of these agreements the 27 federated/affiliated institutions in Ontario are considered part of the primary institution and will not have their own standalone agreement.

As part of this agreement, the ministry encourages all primary institutions to discuss the impacts of the 2020-25 Strategic Mandate Agreement and performance-based funding with federated and affiliated institutions.

The ministry is requesting that institutions confirm that they have discussed SMA3 with affiliated/federated institutions:
