## 2. Teaching and Learning

The metrics in this component expand learning options. This may include, but is not limited to, integrated learning, and

(Note: this is the description of the metrics)

### 2a. Student Satisfaction

Per the 2014 National Student Satisfaction Survey (NSSE) question "How satisfied are you with this institution?" for the University of Toronto, the score was 74.6. Per the 2014 National Student Satisfaction Survey of Toronto for NSSE question "How satisfied are you with this institution?" the score was 74.6.

Additional Information: Please indicate the measures taken from 2015 to measure student satisfaction.

A full report of the 2014 NSSE is available at <http://www.provost.utoronto.ca/nsse/>

The University is an accredited member of the Council for Graduate Postsecondary Studies (CGPSS). Our student satisfaction scores are consistently higher than the national average. For more information, visit <http://www.sgs.utoronto.ca/>

In addition to ongoing student satisfaction surveys, the University of Toronto has implemented several initiatives to improve student satisfaction. The University understands that student satisfaction is a key component of a successful learning experience.

In the Winter Term 2015, the University of Toronto conducted a survey of student satisfaction which was administered by the Centre for Student Satisfaction. The survey was administered to students of Arts & Sciences, Faculty of Education, and Physical Education. The survey results showed that the University of Toronto is a highly satisfied Canadian institution. In the Fall Term 2015, the University of Toronto conducted a survey of student satisfaction for first-year students. The survey results showed that the University of Toronto is a highly satisfied institution. In addition, the University of Toronto has implemented several initiatives to improve student satisfaction. These include: providing 24-hour access to the Wellness Services Centre, providing 24-hour access to the Student Support Centre, and providing 24-hour access to the Student Health Centre. Additionally, the University of Toronto has implemented several initiatives to improve student satisfaction. These include: providing 24-hour access to the Wellness Services Centre, providing 24-hour access to the Student Support Centre, and providing 24-hour access to the Student Health Centre.

As a major component of the University of Toronto's commitment to student satisfaction, the University of Toronto has implemented several initiatives to improve student satisfaction. These include: providing 24-hour access to the Wellness Services Centre, providing 24-hour access to the Student Support Centre, and providing 24-hour access to the Student Health Centre.
